

2014 Diesel Exhaust Fluid (DEF) Pricing

Part #	Quantity	Pricing
R32551	2.5 gal (with container)	\$10.35
R32555	10 - 200 gal	\$1.99 / gal
R32555	200+ gal	\$1.60 / gal

DEF is very corrosive, so proper storage is important.
We carry a variety of solid DEF containers:

Part # R32551

2.5 gal containers are great for filling vehicles!

Purchase a CNH 275 gal container with a stainless steel 110V electric pump full of DEF for \$1,999! This is a deal that can't be beat!

Our 60 and 100 gal carbon steel Titan DEF containers are weatherproofed to keep the DEF and hose free from dust and debris!

The 50 and 110-gal poly version of the Titan DEF tanks are also built with the idea in mind to keep the DEF and equipment free from debris. Great for putting in the back of a pickup!

Call or visit our parts department for more information regarding our container options!
